GOURMET RETREAT

ARTHUR'S SEAT

george's

BOUTIQUE B&B & CULINARY RETREAT

Pamper your inner foodie!

No longer is it necessary to travel to France or Italy for the gourmet experience of your life. Modelled on the live-in participatory cooking schools made so famous in Europe, George's gourmet retreats have been designed to compliment Australia's maturing palate.

Each gourmet retreat will offer a different cuisine theme and every participant will gain a valuable insight into cooking skills, techniques and ingredients in a relaxed and entertaining manner.

The gourmet retreats run over three days and two fun filled nights. As well as providing access to Victoria's best teaching chefs the retreats bring together the iconic features of the Mornington Peninsula. Such features include;

- local producer tours including the famous Sunny Ridge strawberry farm and cheese factory

- wine matching by Mornington Peninsula's leading sommeliers at the evening dinners

- wine tasting tour

- a private outdoor naturally heated mineral spa at the Peninsula Hot Springs

- marine activities (perhaps a swim with the dolphins or a champagne sail)

Whether you are a beginner to the culinary appreciation journey or a food and wine connoisseur George's gourmet retreats are sure to amaze you.
